

What is the Seedlings Club?

The Seedlings Club runs enrichment programs for babies, mothers & fathers, young children. Enrichment Programs are extra curricular activities that are planned in the afternoons, weekends or during school breaks. The aims of such activities are to enrich the children's lives and broaden their experiences.

The Seedlings Club also has great recreational facilities that include outdoors play areas, a cycle track, an indoor play area, and sand & water play areas, which children can use (while under parent/guardian supervision) as part of the registration fee to join a Seedlings Club class.

Parents can also apply for an individual membership or a family membership (up to three siblings) to use the recreational facilities without signing up for a class.

**Seedlings
Club**

Why be a Seedlings Club Member?

Once your child is a Seedlings Club member, they can use the recreational facilities (outdoors play areas, a cycle track, an indoor play area, and sand & water play areas) from Sunday to Thursday from 3 to 6 pm and on Saturday from 9 to 4 pm.

(Children must be accompanied and supervised by an adult during their time using the facilities.)

To become a Seedlings Club member, please fill out the Member's Registration Form. If you are registered for a Seedlings Club Program, you are automatically a Seedlings Club member, so there is no need to fill out another form.

So, if I sign my child up for a Seedlings Club Program, my child is automatically a Seedlings Club member?

Yes! Once your child has registered for a Seedlings Club Program, he/she is automatically registered as a member because you have paid the BD20 yearly registration fee.

If you only want your child to be able to use our recreational facilities and NOT join a Program, then you will need to pay the BD20 yearly registration fee and your child can visit us weekdays 3-6 pm and Saturdays 9-4 pm.

How much are Seedlings Club programs?

Each program is priced differently (see schedule of programs) A yearly registration fee of BD20 is required and includes use of the recreational facilities weekdays 3-6 pm and 9-4 pm on Saturdays.
